LEGAL TRANSLATION AT NATIONAL AND INTERNATIONAL LEVEL

International conference at the Court of Justice of the European Union in Luxembourg

on 16 and 17 March 2023

Legal translation is changing, due to the impact of new technologies, artificial intelligence and a new attitude adopted by customers – judges, prosecutors and lawyers – whose priority is to be served quickly.

What are the contemporary challenges for legal translators? What is the impact on price structures? Are we facing a new profession? Is quality an obsolete feature? How can associations work in order to enhance cooperation and let their needs, ideas and approach prevail?

Contributors are invited to send abstracts (max. 250 words) of their papers in English or French and a short CV to info@eulita.eu by 20 December 2022.

The preliminary programme and other details of the conference will be announced in December 2022.

For further information, please contact us at info@eulita.eu and visit the EULITA website.
